# HOW TO MAKE PAPER MACHE

## Steps

1. Tear up newspaper and soak in water for 8–10 hours.
2. Stir occasionally
3. Squeeze out water once it softens.
4. Mix with flour paste or fevicol until soft and dough-like.

# MAKING THE DOLL

Steps:

1. Put a bell inside the balloon and blow it up.
2. Tie the mouth of the balloon.
3. Apply paper mache all over it and smoothen with flour paste or Fevicol. Let it dry.
4. Use sandpaper for rough edges, re-smooth with paste.
5. Once dry, paint using non-toxic colours.

THE DOLL BOUNCES BACK WITH A JINGLE WHEN PUSHED  
— PERFECT FOR BABIES 5 TO 8 MONTHS OLD.
