

Earth Day Celebration

The students of Classes I and II enthusiastically participated to commemorate our benevolent Mother Earth on the occasion of Earth Day on 22nd April 2021. To set the spirit of celebration and with a view to sensitize the children about the conservation of natural resources, an Awareness Week was held from 18th to 22nd April 2021 for the students of Class I. For the virtual celebration, the young Eco-Warriors were aptly dressed in the colours of green and blue adorned with beautiful crowns and badges made by them. The teachers spoke about the importance of nurturing the earth and also showed a short video that was enjoyed by all the children. The day rekindled emotive concerns and instigated the youngsters to save, love and respect Mother Nature with all their heart and soul!
