

EID CELEBRATION AT KIINDERGARTEN

Eid-ul-Fitr is a religious festival celebrated with much enthusiasm and excitement by the Muslim community across the world. It marks the end of Ramadan-the holy month of fasting. After Ramadan is over, the new moon is sighted, and the next day Eid is celebrated. The sighting of a crescent moon determines it. On 11-5-21, we observed Eid-ul-Fitr. The children were dressed in their Eid ceremonial attire for an online Eid special assembly which emphasized the significance of this day.
