

**“Mathematics is the language with which God has written the universe.”**

*Every year, our school celebrates National Mathematics Day. This year the event was organized by the students of class V H who conducted a special online assembly. The fact that mathematics is everywhere was emphasized upon.*

*The assembly commenced with a prayer and the lighting of the lamp. The four basic operations were connected with life and a few Mathematics quotes, poems, jokes, tricks and ideas to solve math quickly were also presented by the children.*

*The students also spoke about famous Mathematicians like Pythagoras, Srinivas Ramanujan, Shakuntala Devi and also about math in nature. It was then followed by a short story which showcased the importance of Mathematics in our daily life.*

*A mesmerizing dance performance added glamour to the assembly and it concluded showing activity pictures followed by a vote of thanks. It was altogether a very entertaining and informative assembly for all.*
