

# TINY TOTS CELEBRATING MOTHER'S DAY

God could not be everywhere, and therefore he made mothers.

*Life does not come with a manual but it comes with a mother...To pay a tribute to all the super moms on Mother's Day, a special assembly was conducted on 10.5.21. A beautiful PowerPoint presentation was presented in the class elucidating the role of a mother in everyone's life. The ever-enthusiastic tiny tots of our Kindergarten expressed their love for their moms in different ways like telling the class how special their mom is to them, how they take care of them ...etc... Last but not the least, to make the day special for their mothers, they made a beautiful card in the class and gave it to their mothers with a tight hug and a kiss which was indeed the best gift.*
