

ONAM

*A memorable celebration of **Onam at ISWK, PRIMARY** on 30th August 2020 was indeed a mesmerizing experience for all. Onam, the popular festival of Kerala (a southern coastal state of India) was celebrated virtually with great joy and verve. The Special Assemblies were presented class wise in all the sections through captivating pre-recorded videos featuring young artists from Classes I to V. Interesting narrations, melodious songs and graceful dances on traditional beats by our young talent depicted a blend of culture, tradition and history of Onam. The enthralling performances created an atmosphere of live celebrations during the virtual classes. Students and teachers were dressed up in their traditional best and added to the festivity across screens. Amidst the global pandemic, this virtual yet remarkable Onam celebration enabled our children to imbibe the values of pride, cultural oneness and a sense of belonging to one big family.*
