

INDIAN SCHOOL AL WADI AL KABIR

Important notice to Students: Are you just back from an international travel?

As you plan to join the school, inform the School nurse about your recent international travel. You will have to follow the below measures before you enroll for hybrid sessions to be conducted, as per the current local requirements,

Children 15 years of age and under: (KG to Class X)

Your child is not required to have a COVID-19 test prior to travel back into Oman or be tested upon arrival in the country. Nevertheless, in order to ensure a safe environment, we request that the child undergoes home quarantine to monitor any symptoms for 14 days prior to joining on campus during Hybrid Learning. No COVID-19 testing is necessary if your child has been at home and symptom-free for 14 days.

However, if you wish to have your child return to the school campus earlier than 14 days post any international travel, your child is requested to stay home and monitor for any symptoms for 7 days from the date of arrival. A negative COVID-19 test result on day 8 (or later) is mandatory before they may return to the school campus during Hybrid Learning. The same is to be produced to the school nurse prior during return to the campus.

Children above 15 years of age: (Classes XI & XII)

A child above age 15 must have a negative COVID-19 test result prior to their departure from their home country and another negative test upon arrival in Oman, followed by 7 days of quarantine from the date of arrival, and an additional negative COVID-19 test result on day 8. A negative COVID-19 test result on day 8 is mandatory before they may return to the school campus during Hybrid Learning. The same is to be produced to the school nurse prior during return to the campus.
