

WADI WAVES – PRIMARY WING SEPTEMBER 2020

Teacher's Day Celebrations

To acknowledge the noblest work of cultivating the souls, the first ever virtual Teachers' Day celebration was held on 3rd September'2020 during the online sessions. The students of Classes I - V put up some memorable assemblies for their most loving teachers. The celebration began with the lighting of the lamp by the Principal and Supervisor followed by the students. The celebration proceeded with a talk on "*Dr Sarvepalli Radhakrishman Suvichar*". Even though with the pandemic making life quite difficult, the students left no stone unturned to charm their teachers. They also made alluring handmade cards for their wonderful teachers. Some of the enthusiastic students enacted the role of a few teachers and also insisted on sharing their screens to showcase their love for their teachers. It was truly a memorable day that brought ever radiant smiles to every face. The pandemic has forced thousands of students across the globe to take up online classes, but this has not stopped the children from exhibiting their talents and make the event an unforgettable one for their dear 'TEACHERS'.
