

ISWK STUDENT'S PAINTING PUBLISHED IN 2018 CALENDAR BY THE MINISTRY

DREAM, SPARKLE AND SHINE!!

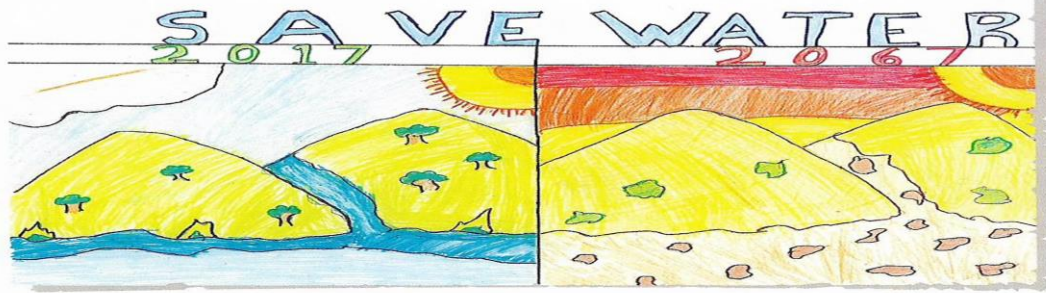

H.Ishaan Sakthi a Class I student of ISWK participated in a Painting Competition 'Save Water 2017' conducted by the Ministry of Electricity and Water. It was a public awareness campaign which was a part of the Diam Week Activities.

Out of 200 kids that participated, 12 best paintings were selected to be published in their Calendar for 2018. H.Ishaan Sakthi's painting was one among the entries selected.

It is indeed a proud moment for ISWK as we strongly believe that every child has an ocean of inner strengths and young talent needs to be encouraged and showcased.

The ISWK family congratulates H.Ishaan Sakthi for this great accomplishment and wishes him good luck for his future endeavours!
