

INDIAN SCHOOL AL WADI AL KABIR

Class: VII	Department of English	Date of submission: November, 2021
Answer Key	Topic: Who Taught Time to Fly? ----- and how it has flown ever since	Note: To be written in the notebook

I. Answer these questions in brief:

Q 1. Why is 'Time' told to think of 'Sky' and 'High' when is taken up to 'Mount Summit'? What do these words do?

Ans. Time is being taught to fly. That is why these words have been used. When you set a goal that is big enough and exciting enough, motivation will come from within you.

Q 2. How do you think it is possible that someone or something could be born before a single human being was born? Do you think that these lines should be taken metaphorically?

Ans. Yes, these lines have to be taken metaphorically.

Q 3. When the poet says that within 'Time' there are 'worlds unseen', what do you think it means?

Ans. These words mean that Time consumes in itself various events and happenings.

Q 4. Enlist the time expressions and collocations used in the poem and use any two of those in your own sentences.

Ans. Long time ago, once upon a time, in the nick of time, time's up, take time, make time, day time, night time, right time, time at hand, keep time, run behind time, find time.

II. Answer these questions with reference to the context.

Q.1. *"There's no Time, like the Time at hand,
Time is precious, you must understand!
Save Time, keep Time, run behind Time,
It's your job to help Time find Time."*

A. Who said this and to whom?

Ans- Aurora said these words to Who, the great gray owl.

B. What was the task given?

Ans- The task given was to teach Time to fly.

C. Was the task successfully completed?

Ans- Yes, Who the great gray owl was able to teach Time to fly in time.
