8	What do you mean by economic inequality? Uneven distribution of income and wealth is called economic inequality.
9	What do you mean by prejudice? Prejudice means an idea which is affected with negative feeling for those who are different from us.
IV	Answer in brief
10	What are the Constitutional provisions for establishing equality in Indian society? ●Caste system was declared as a crime in our Constitution. ●Constitution would provide equality and right against discrimination to all the citizens. ●Reservation was provided for those discriminated people in every field of life.
11	How does discrimination occur? ●Discrimination is a negative aspect in a social set up. ● Discrimination occurs if we act on prejudices or stereotypes. ● It promotes ignorance of a particular class or individual in society and such class or individual is debarred from all opportunities.
V	Answer in detail.
12	Differentiate between inequality and discrimination. ● Inequality and discrimination are the two different concepts but they are related closely to each other. ● Inequality may be the difference between caste, creed, culture, language, region, economic status, educational background, etc.

- Discrimination takes place when one acts against an individual or a community on the basis of difference.
- If one tries to exploit the other' individual who is down in status in any way, it is called discrimination.
- That discriminated individual or community is devoid of the common opportunity or facility provided by the society and it is not at all healthy for a good society.
