Subject: Water Conservation.

Respected Sir/ Madam,

I am Sheela, student of S.M. Public School, Delhi, class 10. Through the editorial columns of your esteemed newspaper, I wish to draw the kind attention of the concerned authorities regarding the poor condition of roads. During the rainy season, there is water logging everywhere, which makes it difficult for the commuters to walk or ride their bicycle or car even.

It is extremely dangerous for people to come out of their house during rainy season as there are pot holes on the road which further lead to accident. Not only accidents become a concern but for people living near such areas are also at risk due to the born of various diseases like dengue.

An awareness must be created regarding this condition. So, it is my humble request that you highlight this issue in your newspaper and spread awareness among the public. Media is one of the most powerful tools these days. It holds the power to make and break the kingdom and can definitely urge the government and the public to be more responsible towards water problems and measures for improving the roads.

I shall really be greatly thankful to you for providing a relevant space to my concern in your prestigious newspaper.

Thanking you,

Yours sincerely,
