XVII Read the sources below and answer the following questions: -

SOURCE A: Introduction

Early human beings lived on trees and in caves. When they started to grow crops it became necessary to have a permanent home. The settlements grew near the river valleys as water was available and land was fertile. Settlement flourished and civilizations developed near river valleys.

SOURCE B: Transport

People had to walk and used animals to carry their goods. Invention of the wheel made transport easier. With the passage of time different means of transport developed but even today people use animals for transport. In our country, donkeys, mules, bullocks and camels are common.

SOURCE C: Airways

This is the fastest way of transport developed in the early twentieth century. It is also the most expensive due to the cost of the fuels. Air traffic is adversely affected by bad weather like fog and storms.

SOURCE A: Introduction

1. It is a place where people build their homes.
a) Dwelling b) Site **c) Settlement** d) Transhumance

SOURCE B: Transport

2. The animal which is used as a means of transport in Tibet.
a) **Yak** b) Mules c) Donkeys d) Horse

SOURCE C: Airways

3. Helicopters are extremely useful in most inaccessible areas. (**TRUE/FASLE**)
