one place to another. They answer the question, 'Where is it moving?' Here are some Prepositions of movement along with examples.

Preposition	Meaning	Example
 <p>around</p>	movement in a circle or to different nearby places	They walked around the garden to enjoy the fresh air.
 <p>onto</p>	movement to the top surface of something	They stepped onto the stage for their performance.

Preposition	Meaning	Example
 <p>out of</p>	Movement from an enclosed space	The cat jumped out of the box.
 <p>over</p>	movement above and across the top of something	Thick dark clouds drifted over the town.
 <p>off</p>	movement away from (and often down from the surface of) something	Ron fell off the bicycle and hurt himself.
 <p>from</p>	indicating the point from where the movement begins	The bus left from the bus stop on time.

Enjoy the Poem about Prepositions

We walk **to** the park,
 Run **from** the gate,
 Jump **over** puddles,
 Before it's too late.
 Climb **up** the ladder,
 Slide **down** the slide,
 Swim **across** rivers,
 With joy as our guide.
 Walk **through** the tunnel,
 Move **into** the room,
 Step **onto** the stage,
 And dance with the moon.
 March **along** pathways,
 Race **around** the playground,
 Travel **towards** home **from** school
 Till rest can be found.
