

# INDIAN SCHOOL AL WADI AL KABIR

DEPARTMENT OF MATHEMATICS

(2021– 2022)

LESSON: Number Concepts

Worksheet - 5

RESOURCE PERSON: Mrs. Sakina Patla

NAME: \_\_\_\_\_ CLASS: II SEC: \_\_\_\_\_ DATE: \_\_\_\_\_

**Q1. Wow! It's summer time. Let's colour the ice cream scoops as per the instructions given below.**

Colour the fifth scoop blue.

Colour the seventh scoop violet.

Colour the first scoop red.

Colour the sixth scoop indigo.

Colour the third scoop yellow.

Colour the second scoop orange.

Colour the fourth scoop green.

Can you guess what your ice cream looks like? - \_\_\_\_\_

**Q2. As you were colouring some ice cream melted away and now these ants are marching towards it. Let us fill the ordinal number and its number name in the order they are marching towards the ice cream. One example is done for you.**
