I Answer the following questions in brief:

1. Give one reason why the man and his wife were not able to fall asleep.
Ans: The man and his wife didn't sleep because they knew that a thief had dug out a way into their home.
2. What did the thief wish would happen? Did it happen?
Ans: Thief wishes that they talk about their money or they fall asleep. No, it did not happen.
3. How did the man and his wife get help from the Kotwal?
Ans: The man and his wife got help from the kotwal (Rama) because he heard his name being called when the thief was breaking in. Rama immediately responded, ran to their house, and apprehended the thief.
4. What lesson do you learn from the story?
Ans: Presence of mind and clever thinking can help us overcome difficult situations.

II Answer the following question in detail:

1. Do you think cleverness can help us solve our problems? Why do you say so?
Ans: Yes, cleverness can help us solve problems. In the story, the husband, wife, and Rama's alertness and quick thinking solve the problem of the thief breaking into the house. Cleverness involves being resourceful, observant, and making wise decisions, which are often necessary to overcome challenges effectively.

III REFERENCE TO CONTEXT

1. Man: What's the matter? What are you looking at?

Wife: Ssh! Listen!

Man: Somebody is trying to get in.

Wife: I... I think he has already got in... the noise has stopped.

(i) What makes the man say the first line?

Ans: The man notices a change in his wife's behaviour. She seems worried and is focusing on something unusual, which makes him ask what is wrong.

(ii) Choose the correct option. The wife says 'Ssh! Listen!'. What does the word 'Ssh!' mean here?

- a. sleep
- b. help
- c. rest
- d. be silent

Ans: d. be silent

(iii) How can you tell that the wife was listening carefully?

Ans: The wife reacts immediately to the sound and even notices when it stops, which shows that she was listening very carefully and attentively.

IV ASSERTION AND REASONING QUESTION:

Assertion (A): The man and his wife solved the problem without fighting the thief.

Reason (R): They used intelligence instead of physical strength.

- a. Both Assertion and Reason are true, and the Reason is the correct explanation of the Assertion.
- b. Both Assertion and Reason are true, but the Reason is NOT the correct explanation of the Assertion.
- c. Assertion is true, but Reason is false.
- d. Assertion is false, but Reason is true.

Ans: a. Both Assertion and Reason are true, and the Reason is the correct explanation of the Assertion.
