The Friendly Firefly

One quiet night, a little firefly woke up in the garden. He blinked his tiny light—flash, flash! "How pretty is my light!" he said. He flew past flowers and trees, lighting the dark path. A frog saw him and said, "Hello, shiny friend!" The firefly smiled and danced in the air. He met more fireflies, and soon the garden was full of twinkling lights. They played, sang, and made the night look like a sky full of stars. When morning came, the firefly whispered, "Goodnight, friends."

Moral: Even a small light can make the world bright.
