Storyboard Description

This is my English assignment - of creating a comic strip on one event on the literature chapter - the boy with a catapult!!!!!!!!!!!!

Storyboard Text

- The Boy with a Catapult
- Bodh Raj
- Speaker
- Speaker's Mom
- But mom, I have no one else to talk to, since now we have moved!

- Son, I don't think you should be friends with Bodh Raj. He likes hurting everyone, especially birds, with his catapult.
- Ok, Mom! I will tell Bodh Raj to do so!
- Ok... At least tell him to clean the store room then. A nest has caused so much straw in our store room!
- Bodh Raj and the speaker find the baby mynah's nest his mom was talking about. But, suddenly, a kite flew over the mynah's to eat them! Bodh Raj was about to aim it, when-
- It's alright! I have to attack at it to save the little mynahs!
- At the Store Room
- Now this was rather unusual, coming from Bodh Raj!
- Bodh Raj, stop! The kite will attack back at you!
- One event in the story "The Boy with Catapult", check! ✓

Using this example, create a storyboard of your own of another event from the lesson as home task
