	maximum utilisation of resources, to get the required and directed work done, and to correct
	the subordinates whenever they go wrong.
	A Discoving
	A.Directing
	B.Planning
	C.Supervision
	D.Controlling
4	Which among the following is not a demerit of Entrepreneurship?
	A. Salary
	B. Benefits
	C.Work Schedule
	D.Competent staff
5	Identify the myths of Entrepreneurship from the following statements
	i. Most enterprises are not successful financially
	ii. Banks don't lend money to start-ups
	iii. Most entrepreneurs start businesses in attractive industries
	iv. Start-ups can't be financed with debt
	A. i,ii,iii

B. i and iv C. i,i,iii and iv D. ii,iii and iv D. ii,iii and iv A professional manager who mobilises resources and allocates them to make a commercia gain from an opportunity, is also called an entrepreneur. The above statement was defined by A. Joseph Schumpter B. Peter F. Drucker C. Adam Smith D. Richard Cantillon Which among the following is not a merit of Entrepreneurship? A. Excitement B. Originality C. Independence D. Irrational Salary Which function is concerned with the human resources of an enterprise? A. Staffing B. Organising C. Planning D. Directing Statement 1: Although enterprises are as different and unique as the entrepreneurs who contemporate them, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join into board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is Palse and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A. Assertion and Reason are correct and Reason is the correct explanation of Assertion. B. Assertion is wrong, Reason is correct. C. Assertion and Reason are correct and Reason is not a correct explanation of Assertion. Name the person who firstly introduced the term 'Entrepreneur'.		
C. i,ii,iii and iv D. ii,iii and iv A professional manager who mobilises resources and allocates them to make a commercia gain from an opportunity, is also called an entrepreneur. The above statement was defined by A. Joseph Schumpter B. Peter F. Drucker C. Adam Smith D. Richard Cantillon Which among the following is not a merit of Entrepreneurship? A.Excitement B.Originality C.Independence D.Irrational Salary Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing 9 Statement 1 : Although enterprises are as different and unique as the entrepreneurs who enthem, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to johim on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion : The entrepreneur stands at the centre of the whole process of economic development. Reason : In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		B. i and iv
A professional manager who mobilises resources and allocates them to make a commercia gain from an opportunity, is also called an entrepreneur. The above statement was defined by A. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		gain from an opportunity, is also called an entrepreneur.
B. Peter F. Drucker C. Adam Smith D. Richard Cantillon 7 Which among the following is not a merit of Entrepreneurship? A.Excitement B.Originality C.Independence D.Irrational Salary 8 Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing 9 Statement 1: Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		The above statement was defined by
B. Peter F. Drucker C. Adam Smith D. Richard Cantillon 7 Which among the following is not a merit of Entrepreneurship? A.Excitement B.Originality C.Independence D.Irrational Salary 8 Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing 9 Statement 1: Although enterprises are as different and unique as the entrepreneurs who cruthem, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to johim on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion in correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		
C. Adam Smith D. Richard Cantillon 7 Which among the following is not a merit of Entrepreneurship? A. Excitement B. Originality C. Independence D. Irrational Salary 8 Which function is concerned with the human resources of an enterprise? A. Staffing B. Organising C. Planning D. Directing 9 Statement 1: Although enterprises are as different and unique as the entrepreneurs who contem, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A. Assertion and Reason are correct and Reason is the correct explanation of Assertion. B. Assertion is wrong, Reason is correct. C. Assertion in correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion		
D. Richard Cantillon Which among the following is not a merit of Entrepreneurship? A.Excitement B. Originality C. Independence D.Irrational Salary Which function is concerned with the human resources of an enterprise? A.Staffing B. Organising C. Planning D. Directing Statement 1: Although enterprises are as different and unique as the entrepreneurs who enthem, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B. Assertion is wrong, Reason is correct. C.Assertion in correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		
A.Excitement B.Originality C.Independence D.Irrational Salary 8 Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing 9 Statement 1 : Although enterprises are as different and unique as the entrepreneurs who conthem, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason : In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion in Correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion		
A.Excitement B.Originality C.Independence D.Irrational Salary 8 Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing 9 Statement 1 : Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		D. Richard Cantillon
A.Excitement B.Originality C.Independence D.Irrational Salary 8 Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing 9 Statement 1 : Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion.	7	Which are and the fellowing is not a monit of Entrangenous bin ?
B.Originality C.Independence D.Irrational Salary Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing Statement 1: Although enterprises are as different and unique as the entrepreneurs who create them, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to joshim on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion	/	which among the following is not a merit of Entrepreneurship?
B.Originality C.Independence D.Irrational Salary 8 Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing 9 Statement 1 : Although enterprises are as different and unique as the entrepreneurs who create them, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion		A Excitement
C.Independence D.Irrational Salary Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing Statement 1: Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion		
D.Irrational Salary Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing Statement 1 : Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason : In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		
Which function is concerned with the human resources of an enterprise? A.Staffing B.Organising C.Planning D.Directing Statement 1 : Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		
A.Staffing B.Organising C.Planning D.Directing 9 Statement 1 : Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion : The entrepreneur stands at the centre of the whole process of economic development. Reason : In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion		
A.Staffing B.Organising C.Planning D.Directing 9 Statement 1 : Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion	8	Which function is concerned with the human resources of an enterprise?
B.Organising C.Planning D.Directing 9 Statement 1 : Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion : The entrepreneur stands at the centre of the whole process of economic development. Reason : In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion		
C.Planning D.Directing 9		A.Staffing
D.Directing Statement 1 : Although enterprises are as different and unique as the entrepreneurs who creates them, most of them appear to work through a process. Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion		
Statement 1: Although enterprises are as different and unique as the entrepreneurs who crethem, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to join him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A. Assertion and Reason are correct and Reason is the correct explanation of Assertion. B. Assertion is wrong, Reason is correct. C. Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion		
them, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to jo him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		D.Directing
them, most of them appear to work through a process. Statement 2: After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to jo him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		
Statement 2 : After making sure that the proposition is practical and profitable, the entrepreneur proceeds to assemble the requirements. He persuades some more people to jo him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion : The entrepreneur stands at the centre of the whole process of economic development. Reason : In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion is correct, Reason is wrong. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion	9	
entrepreneur proceeds to assemble the requirements. He persuades some more people to jo him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		them, most of them appear to work through a process.
entrepreneur proceeds to assemble the requirements. He persuades some more people to jo him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		Statement 2: After making cure that the proposition is practical and profitable, the
him on board. A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion and Reason are correct and Reason is not a correct explanation of Assertion. D. Assertion and Reason are correct and Reason is not a correct explanation of Assertion.		
A. Both the statements are false. B. Statement 1 is True and Statement 2 is False. C. Both the statements are True. D. Statement 1 is False and Statement 2 is True. 10 Assertion: The entrepreneur stands at the centre of the whole process of economic development. Reason: In order to meet the challenge of automation and the complexities of advanced technology, there is a need for the development of entrepreneurship. A.Assertion and Reason are correct and Reason is the correct explanation of Assertion. B.Assertion is wrong, Reason is correct. C.Assertion is correct, Reason is wrong. D.
