

INDIAN SCHOOL AL WADI AL KABIR

DEPARTMENT OF MATHEMATICS (2025-2026)

TOPIC: ADDITION

ACTIVITY WORKSHEET

RESOURCE PERSON: Ms. Veda Vijay

NAME: _____ CLASS: III SEC: _____ DATE: _____

Dicey Additions

- I. Roll the dice 3 times to get 3 digits. Using those digits form the greatest and smallest three digit numbers. Then find the sum by adding those numbers.

a. digits obtained after rolling of the dice →

1 st roll	2 nd roll	3 rd roll
<input type="text"/>	<input type="text"/>	<input type="text"/>

Greatest number _____

Smallest number _____

+

Th	H	T	O

b. digits obtained after rolling of the dice →

1 st roll	2 nd roll	3 rd roll
<input type="text"/>	<input type="text"/>	<input type="text"/>

Greatest number _____

Smallest number _____

+

Th	H	T	O

**II. Identify the numbers in the pictures of the abacus below and find their sum.
Draw beads on the third abacus to show your answer.**

a.

Th H T O

+

Th H T O

=

Th H T O

b.

Th H T O

+

Th H T O

=

Th H T O
