Going to the Library

The library is a great place to visit for help with schoolwork, and for fun. There will always be someone there to help you find what you want. That person is a librarian.

You can ask the librarian to help you find books about any subject that interests you. Libraries have books about everything from airplanes to zebras. If you like to read story books, your librarian can suggest adventure books, fantasy books and much more.

If you are having a hard time finding an answer to a question, ask your librarian to help you find the answer. Your librarian can help you locate information in magazines, newspaper articles and on the computer.

1. Read the passage carefully.
2. Make a note of the new words.
3. Practice the spelling of those words.
4. Understand the meaning and use them while speaking or writing.

IT ADDS UP!
