Grandparents

Hello! I am Joseph. Usually, grandparents are old but they have a young spirit. My mother’s parents are very generous. They are always happy unless they are sometimes a bit ill. Patrick is my grandfather. He is 60 years old and my grandmother, Laura is five years younger to him. He was a carpenter when he was young and still he does some pieces of wood for me. I have a table in my bedroom made by him. My grandma was a nurse and she worked at the local hospital for 40 years. They live 5 kilometers away from our house so we don’t see them every day. We often have lunch on Sundays with them.

My dad’s grandparents live in France because they have a house there. We go to visit them every two years. They are very friendly and they are quite old too. Lisa is her name and Paul is his name. They were both teachers.

People say that grandparents spoil grandchildren. It’s not true. They are very happy to have their grandkids with them. They cook and buy presents for them. I love my grandparents very much.
