

The background is a vibrant comic book style. It features a grid of colored squares: blue, yellow, and orange. Each square is filled with a pattern of small black dots. Overlaid on this grid are several stylized white clouds with thick black outlines. Yellow lightning bolts are scattered throughout the scene, some appearing to strike the clouds. In the center, a white rectangular notepad is pinned to the background with three black pushpins. The notepad contains the following text in a bold, blue, hand-drawn font.
