CIRCULAR TO PARENTS  
[CLASS III]

Dear Parents,  
Greetings from ISWK!

World Environment Day is the UN's most important day for encouraging worldwide awareness and action for the protection of our environment. Each World Environment Day is organized around a theme that focuses attention on a particularly pressing environmental concern. The theme for 2018 is "*Beat Plastic Pollution.*" We, the ISWK Family, would like all the students of class III to be a part of this celebration.

The power, ingenuity, and sheer beauty found in nature has always fascinated mankind. When we look at powerful ocean waves rolling in, we cannot help but feel small and powerless in comparison. Mighty trees in a vast forest inspire feelings of insignificance and awe. Animal mothers taking care of their young make us question the cruelty with which we sometimes treat one another. The truth is, nature can teach us many valuable lessons. It can also lead us to wonder, did this beautiful earth with all of its natural treasures come about by chance or was it created? Inspired by the most amazing beauty in Nature, we are delighted to organize a "*Colouring Competition*" for class III students in order to inculcate love for our environment and appreciate its beauty.
